11:00-11:15	<i>Short break</i>	
11:15-12:00	“How do I apply for a Postdoc position?” (Part II)	Kevin Burgess
12:10-13:30	<i>Lunch</i>	
Session 2		
13:30-13:40	<i>Opening remarks</i>	
13:40-14:00	Talk 1	Elisa Erdmann
14:00- 14:20	"Endeavors towards visible light photooxidation of cyano compounds and guanidines "	Simon Düsel
14:20-14:40	"Solvent-free photocatalysis: Novel reactors for heterogeneous visible-light-driven transformations"	Martin Obst
14:40-14:50	<i>Short Break</i>	
14:50- 15:10	"Photoredoxcatalysis in the flow reactor"	Daniel Petzold
15:10-15:30	"Use of copper complexes for visible light mediated ATRA reactions"	Christian Lankes
15:30-16:00	Coffee break	
Session 3		
16:00- 17:00	"Introduction into Asymmetric Photoredox Catalysis"	Eric Meggers
17:00-17:30	<i>Short break</i>	
17:15-18:30	“Cooperative Photoredox and Asymmetric Catalysis with Chiral Iridium and Rhodium Complexes	Eric Meggers
18:30	<i>Dinner</i>	

Friday, June 17th (Kloster Weltenburg, Kehlheim)

time	topic	speaker
7:30-9:00	<i>Breakfast</i> Session 4
