

# Agenda "Chemical Photocatalysis"

## 2<sup>nd</sup> Seminar Day: 8./9. July 2010 in Erlangen

Thursday, July 8 <sup>th</sup>	topic	who is speaking?	where?
14:00	<b>opening</b>	Prof. Sven Rau	A 00.14
	<b>Lecture:</b> Photocatalytic water splitting, design concepts and experimental techniques	Prof. Sven Rau	A 00.14
	<b>coffeebreak</b> - meet the speaker	all	H2
17:00	<b>Talk:</b> "Photophysical Processes in Dinuclear Polypyridyl Complexes - Influence of Solution and Immobilisation on Active Nanocrystalline Surfaces"	Prof. Johannes G. Vos (Dublin City University)	H2
19:00	<b>follow-up meeting &amp; dinner</b>	guests & all members of GRK1626	to be announced

# Agenda "Chemical Photocatalysis"

## 2<sup>nd</sup> Seminar Day: 8./9. July 2010 in Erlangen

Friday, July 9 <sup>th</sup>	topic	who is speaking?	where?
09:00	<b>Lecture:</b> Spectro-Electrochemical Investigations Concepts and Applications	Prof. Rainer Winter (University of Konstanz)	A 00.14
10:45	<b>coffee break</b>	all	A 00.14
11:00	<b>Lecture:</b> EPR spectroscopic investigations of photocatalytic reactions	Dr. Ping Huang (Uppsala University)	A 00.14
12:00	<b>concluding remarks</b>	Prof. Burkhard König / Prof. Sven Rau	A 00.14
